Above and on the preceding page you will find the tax rate in mills for each taxing unit of the county. To compute and check the amount of your taxes you should add together the tax rates of all taxing units in which your property is located and multiply the total levy by the tangible assessed valuation of your property, viz:

One of the following formulas will determine the total tax rate on which your tax is based depending of course on the location of the property.

**1. PROPERTY LOCATED IN TOWNSHIPS OUTSIDE OF INCORPORATED CITIES.**

(A)

**HIGH SCHOOL DISTRICTS**

Rural High School Districts or districts cooperating to maintain an accredited High School.

State - - - - - \_\_\_\_\_
